Last Board meeting of MTEC

Sam St. Pierre, Property Manager, Kent Robbins, Sally Westby, Jon Westby, Mark Hotzler, Shawn Fondow,

On September 27th, an Electronic Board meeting was held. Sam presented the 2023/2024 Audit to the board. This included the financial statements draft and Governance Letter.

There were no findings in the audit or letter, it was all very clear and straight forward.

There were no questions from the board, the Audit was approved by all.

Sam gave a brief update on the bathroom renovations. The bathroom renovations are just about complete, we are waiting for a faucet and trying to figure out a better solution for the noisy hand dryers. Overall, they turned out very nice.
